

## CHAPTER V

### CONCLUSSION AND SUGGESTION

#### A. Conclusion

The researcher concluded that by using Make a Match Technique was effective in teaching vocabulary of the Fourth grade students in SDN 08 Makale. Based on the result of pre-test and post-test, the mean score pre-test was 54.38 and the mean score of post-test was 75.63. Then, based on the findings and the discussions in the previous chapter, it showed the result that  $t_o$  ( $t_{count} = 8.044$ ) was greater than  $t_t$  ( $t_{table} = 2.131$ ),  $t_o > t_t$ , so that the null hypothesis ( $H_o$ ) was rejected and the alternative hypothesis ( $H_1$ ) was accepted. It concluded that the Make a Match Technique is effective used in teaching vocabulary to the Fourth grade students at SDN 08 Makale.

#### B. Suggestion

From the advantages in teaching vocabulary by using Make a Match Technique in, the researcher would like to give some suggestion as follows:

##### 1. For the teacher

For the teacher, Make a Match Technique should be considered as an alternative technique to be used by English teachers in teaching vocabulary in the classroom since it may be effective to improve the students vocabulary. Indeed, this research was focused on teaching vocabulary. This does not mean that the Make a Match Technique can only be used in teaching these materials but it may also be used in teaching other materials. Therefore, English teachers are suggested to try using the Make a Match Technique in teaching

all types of materials . Second, English teachers applying this technique should follow the steps suggested in the Make a Match Technique in teaching vocabulary to improve the students' participation and maximum scores, possibly the Make a Match Technique needs to be used many times not just a couple of times as in this study to really make a significant improvement in the vocabulary of the students.

## 2. For the students

The students must develop their bravery in order to answer the questions or ask the teachers' instruction. They not only focus in playing the technique but also in mastering the English materials.

## 3. For the researcher

It is suggested to other researchers to complete this research by conducting any other researches in Make a Match Technique. Based on the explanation above the researcher would like to suggest other researcher, that the result of the study can be used as additional reference for further research with different sample and occasions. This research has many limitations and more researches should be conducted on this topic.

Finally, the researcher realize that this thesis is far from being perfect and because of that, constructive critics and advices are really expected for the perfection of the thesis
