

CHAPTER V

CONCLUSION AND SUGGESTION

5.1 CONCLUSION

Based on the results of research that has been conducted, it can be concluded that English verb application was effective to improve students' vocabulary mastery of the eleven grade at SMA Kristen Makale. It was proved by the mean score of pretest was higher than the mean score of post-test (36.33) and the t-test value was higher than t-table value (8.712 1.669), that showed significant difference.

5.2 SUGGESTION

A. For teacher

1. Incorporate more interactive and technology-driven teaching tools into language instruction to further enhance students' learning experience.
2. Provide training and resources for teachers to effectively integrate technology into their teaching methodologies.

B. For student

1. The students should raise their motivation in learning English vocabulary
2. Memorize many vocabulary and encourage themselves to learn more.
